

Why Should Your Church Be A Mennonite Mutual Member Church?

1. **Mennonite Mutual is owned by its member churches.** Our policyholders attend those churches and the board members are elected from the churches. Mennonite Mutual operates only in Alberta and we are licensed and regulated by the provincial government. We are owner/members in a national reinsurance facility which gives us financial strength and security for our policyholders.

2. You can assist with our financial support for **Mennonite Central Committee Alberta (MCCA)**. The Mennonite Mutual bylaws direct that 20% of the company's profits are donated to MCCA.
3. Your church can participate in our **Compassion Fund**. Through that fund Mennonite Mutual matches your church's contribution, to help people who are in need in your local community.
4. The ministry of MMI is carried out with the participation of **representatives from your church congregation**.
5. The capital of MMI is invested in **ethically selected** organizations, such as The Mennonite Foundation and Meritas.

We have been facilitating mutual aid to church members, by providing property and liability insurance since 1960. In addition, our recently created subsidiary company: Mennonite Insurance Agency, now gives us the ability to offer automobile insurance to your church members as well.
